

"WITH THE COLORS"

Camp Devens, Mass.,
Wednesday Morn.

Dear Brother:—

I won't be able to write you a long letter this morning as I must go over on the range in a few minutes, but I wanted to scratch you a few lines so you would get it before you left for Bath to-morrow, if possible. To-night or to-morrow I will write you a longer letter, so you will have it when you come back Monday. It was great that you have that fine invitation for those three days, and it will do you a lot of good to get away from school.

Help your Country by Saving. Write on BOTH Sides of this Paper.

for a short while.

Last night I was up
to the Liberty Theatre and
saw "Twin Beds". It was
great and I thought I would
be laughing at it.

Am so happy to know
that Chas. is on the coast,
and get. I do hope you get
the job. Perhaps mother could
go there for a short stay.

She must get away some-
where this summer. I do wish
she could go to Nova Scotia
to those people up there. I
know she would have a happy
summer.

Well, I'll close now and
I will have a good letter
waiting for you when you
get back from your visit.
Have a good time, and now
with heaps of love to you
from,

Your loving brother,
Wm.
