

"WITH THE COLORS"

Camp Devens, Mass.,
Thursday Night.

Dear Win: —

You nice, long,
interesting letter came this
noon, but I am absolutely
unable to write very much
of a letter to - night, as I
am all discouraged and
blue. To - night I was
transferred to Company F, ~~as~~
the company directly in
back of Company E, my
old company. The whole
Headquarters Detachment is
to be transferred as the
Major wants all regular
army men in his detach-
ment. So I feel funk
and it has taken all the

you out of everything for
me. I don't care now
what happens. I may try
to get back into Company
E. again. I could cry &
feel so badly. I wrote
mother and Doris about it.
I suppose everyone at home
will be disappointed in me,
but I can't help it. I've
done my best.

Wm I'll write a real
letter in a couple of days to
pay for this one. I hope
you have got the check
from Charles for twenty
dollars. He said he would
send it for me this week.
Loads of love for now,
from

Your discouraged brother,
Wm.
